Action Verbs List
**Tips to remember:**
- Recommendations must use verbs that are clearly related to action.
- Verbs like “consider,” “maintain,” and “continue” are not acceptable.
- The verbs “improve” and “implement” are acceptable only when the recommendation states exactly what should be improved or implemented and contains a reference to measures.
- Institutions will be held accountable for progress toward Accreditation Action Items outlined by the ACSI Visiting Team. Make sure those recommendations are clear, actionable, and attainable.
