The invoicing process has changed:
Payment is required within 30 days of receipt of invoice.

For paper-based testing, the numbers invoiced are determined by the quantity **SHIPPED**. That quantity will be determined by the number of students uploaded into the system at the time that paper-based materials are created by ACT for shipment and any additional orders submitted by the schools.

For computer-based testing, the numbers invoiced are determined by the number of students tested.

You will receive your invoice after the end of the test administration window:

Spring Summative will be invoiced in **June**
