**Included in ACSI Scoring Package:**

DataPlus Scoring with web-based reporting via DataManager, including longitudinal.

\*Reporting available within 10 business days of scoring received

*DataManager includes a dynamic, online report creation tool and is your single source for supporting your assessment program using Iowa Assessments and the Cognitive Abilities Test (CogAT). You can print reports like: Summaries by Class (list reports), Profile Narrative (home reports), Individual or Group Performance Profile (for adapting instruction), and many others. To see sample reports, please visit [https://pdp.acsi.org/pdp/Category/280\\_1/DataManager\\_\(Online\\_Reporting\\_System\).aspx](https://pdp.acsi.org/pdp/Category/280_1/DataManager_(Online_Reporting_System).aspx)*

**Additional Optional Printed Reports - ORDER BELOW:**

Optional reports are organized by those ONLY available through Riverside Scoring Services or those available in DataManager and that can be printed by the school; pricing is per student
