

Thank you for joining us today!
We will begin promptly at 10:30 am (MT).

Open House

Featuring the
ACSI Bible Assessment

Advancing

Leading Christ-centered education toward excellence and flourishing

ACSI's assessment program provides a service that helps schools use testing data to improve instruction thereby advancing Christian education through school improvement.

Flourishing Schools Culture Model

► Data-Driven Improvement

► Data is used to gauge school results and effectiveness, determine goal attainment, and address problems the school faces.

Program Benefits

Discounted pricing

Christian school comparison scores

Consultation services

Prescheduled and custom faculty training

Participant networking through the ACSI
Community

Access to test publisher and ACSI team
members with the strength of a collective voice

- Standardized assessment built upon a scope and sequence that reflects a broad range of Bible curriculum/textbooks and the input of Bible instruction experts.
- Provides a snapshot of student achievement.
- Helps educators know the strengths of their Bible instructional program.
- **Content Clusters:**
 - Creation, Christ, Old and New Testament Bible Stories, Bible Organization and Structure, The Church, and Christian Living
- **Process Clusters:**
 - Knowledge, Comprehension, and Application

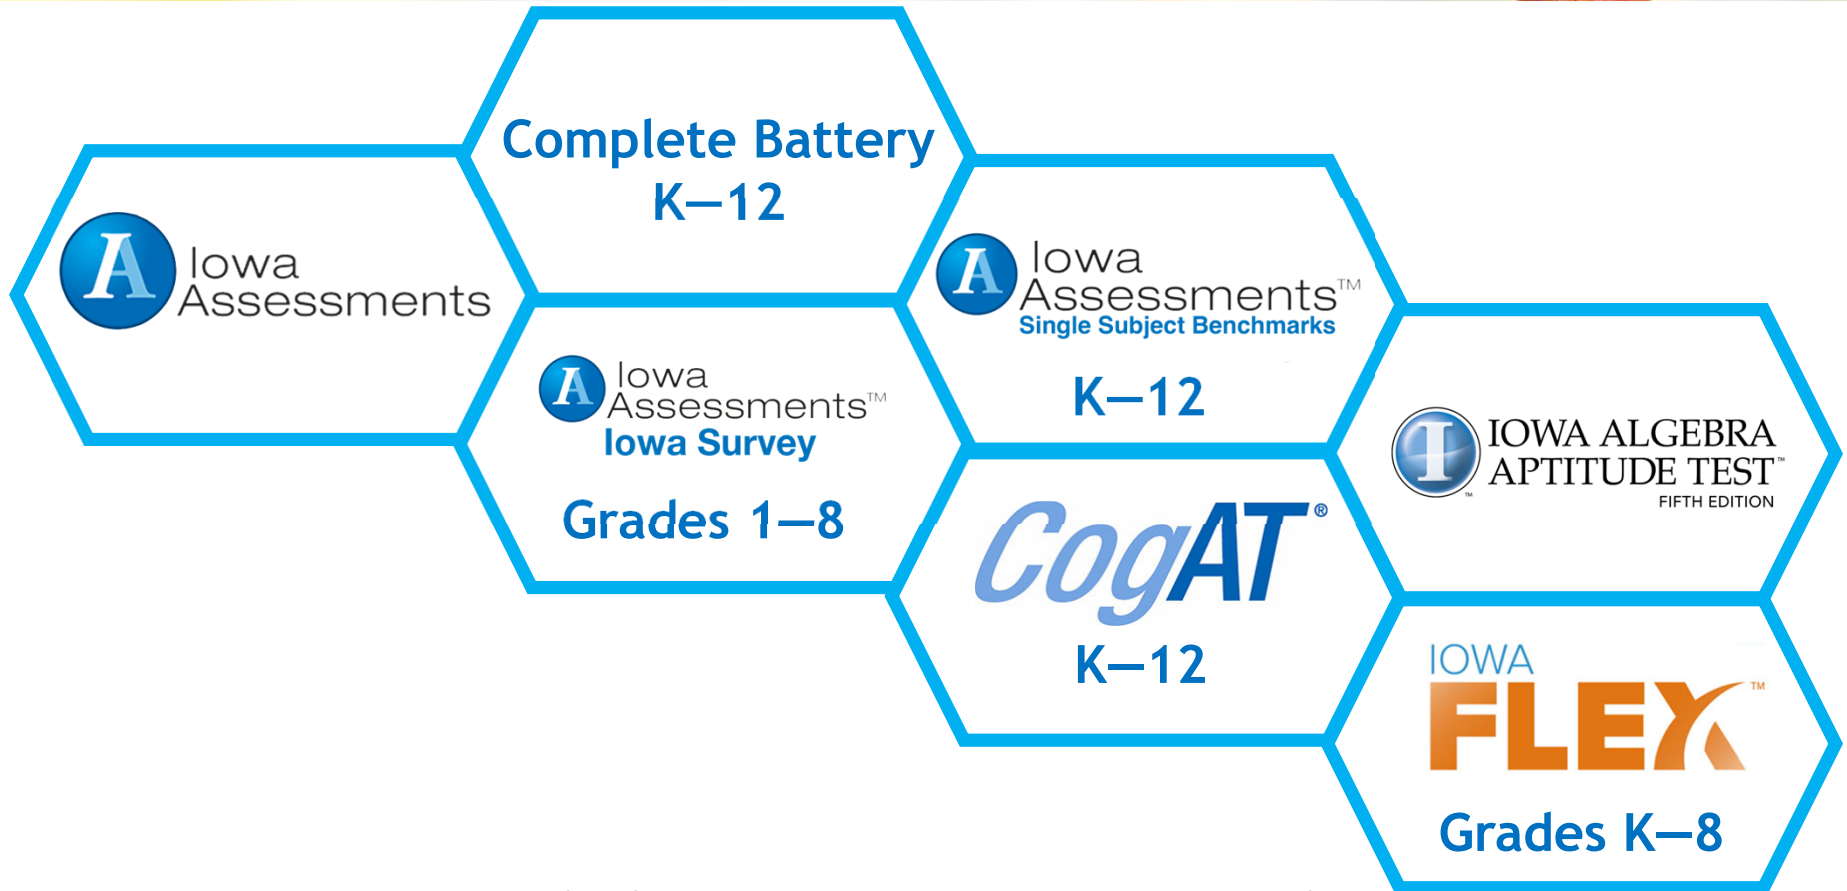

ACSI Student Assessment Program Offerings

Paper/Pencil, Online, &
Hybrid!
