

The PreACT and PreACT 8/9

Practice Promotes Performance

6 Ways

PreACT[™]

Helps
You

Predict

The PreACT was designed to give accurate predictions of your performance on the ACT test. Try your best on the PreACT to know exactly how close you are to your ideal score.

Train

Practice testing with the timing, setting, and format of the ACT without the distractions you might face practicing at home.

Envision

Your score benchmarks tell you how you'll perform in college courses. Hitting the benchmark means you have a 50% chance of earning a B and a 75% chance of earning a C in a college course.

Explore

Don't know what college major or career you want to pursue yet? Fill out the interest inventory for an interest map and related career suggestions to get a running start down your career path.

Launch

Colleges and scholarship opportunities will call before you even hit junior year. Answer "yes" to sharing your information to get colleges as excited as you are about your post-graduation plans.

Improve

Scores not matching your standards? Find out exactly where you can improve in your score reports and seek out resources at your school to change your shortcomings into strengths.
