Date: 7/29/2020

Time: 1:00pm-2:00pm ET

**We look forward to your  
participation!**

**As a valued Staples customer, you're invited to attend!**

Join us for a timely informational session led by Staples & vendor experts with decades of experience in Workspace Design and Janitorial / Sanitary Maintenance. They will share best practices for preparing and operating a safe return to the education environment including classroom configurations, cleaning strategies, and new technology used to keep spaces clean and staff and students healthy. Don't worry, we will have time to address your questions and concerns, too.

**Guest Speaker:** Bridget Nulty, Education Merchandising Category Manager at The HON Company

**Staples Speaker:** Carlos Canas, Sr Sales Tech Trainer, Staples Facility Solutions.

**Contact your Staples representative for additional details or consultation specific to your organization.**
