

*Cultivating transformation through educational resources*

## **Covid-19 Limited Duration License of Purposeful Design Publications**

**Intent** – The intent of this limited duration license is to allow schools and educational systems through the 2019-20 school year to continue to provide formal educational instruction while having to do so using PDP textbook content, currently in print format only, through digital platforms or other digital channels.

1. **License.** Subject to the terms and conditions of this License, ACSI hereby grants you a worldwide, royalty-free, non-sublicensable, non-exclusive, revocable license to exercise use of the Licensed Material to:
  - A. Reproduce and share the Licensed Material, in whole or in part, for Non-Commercial purposes only within the school's or educational system's Academic Efforts; and
  - B. Only in such quantities necessary to achieve such Academic Efforts and/or equal to the number of printed books already purchased; and
  - C. Licensed Materials shall only be reproduced and shared within a Closed System.
2. **Term.** The term of this License begins on March 1, 2020 and shall expire on July 31, 2020.
3. **Definitions.**
  - A. "Non-Commerical" – means not primarily intended for or directed towards commercial advantage or monetary compensation through the reproduction or sharing of Licensed Material. There is no payment of monetary compensation in exchange for Licensed Material.
  - B. "Closed System" – means sharing Licensed Material within a secured platform only accessible to the school's or educational system's current contracted student body and Licensed Material is not accessible by the general public whether digital or paper versions.
  - C. "Academic Efforts" – means a school's or educational system's effort to provide an appropriate grade level education for a given student within the school's or educational system's formal educational offerings.
  - D. "Licensed Material" – means textbooks intended for use in the classroom and published by Purposeful Design Publications as identified on the copyright page of the textbook – Teacher Edition, Student Edition, Science Notebook/ Lab Manual and/or supplemental resources made available online.
