RCS Staff At-Home Learning Survey 2019-2020

Welcome to the RCS At-Home Learning Survey

Dear Staff,

We are starting to run through all the scenarios of possibly coming back after the April 30th deadline of business closures. In doing so, we want you all to know that we do care about you very much and would like some feedback on whether you all would feel safe in coming back. We will use this feedback to make plans for moving forward to accommodate not only our staff, but our families. We may be looking at a hybrid situation where we have teachers and students here in the building and teachers and students still facilitating at-home learning. To really be able to assess our next steps, we appreciate your feedback.

*** 1. Please give your name and grade/subjects you teach.**

(We are asking for this information so if we plan a hybrid model to finish the year, we can organize all the responses in one place to help us figure who might be able to do in-house learning and who might be able to do at-home learning.)

*** 2. If we are released to open the school building for students at the end of April, would you feel comfortable returning back to the building by:**

- May 4th
- May 11th
- May 18th
- I would prefer not to return at all this school year due to medical/health reasons or concerns.

3. Comments regarding question 2:

*** 4. Would you be interested in teaching or helping with some kind of Summer Enrichment program? (This could include options of tutoring, classes, intensive camps...)**

- I would possibly be interested
- Yes, I would for sure be interested
- No, I choose not to participate in a summer program

5. Comments/ Suggestions regarding question 4:

RCS Senior Class of 2020 Graduation Survey

RCS Class of 2020

In the midst of the Coronavirus restrictions and the related unknowns, we are considering the best way to proceed with year-end, school-sanctioned celebrations and events. We would like your input! Please note, there have been no decisions made on any of these items yet. We also know there are other end of year events not mentioned in this survey, and will factor in these answers as we consider all events moving forward.

*** 1. In the event that we can not conduct a traditional senior graduation ceremony on May 24, which alternative would you prefer?**

- A traditional graduation ceremony rescheduled for June or July 2020.
- A May 24 virtual ceremony with everyone (graduates and guests) off-site.
- A May 24 virtual ceremony with students on-site and live-streamed to families and friends (if this level of social connection/distancing is an option in May)

*** 2. For senior prom (since prom could not happen April 18), which of the following would be preferred?**

- A traditional, formal prom rescheduled to a Friday or Saturday in June or July 2020
- An alternative, informal event that would bring seniors physically together as soon as would be allowed
