

For more than 30 years, Purposeful Design Publications, a division of ACSI, has provided academically rigorous textbooks that are intentionally rooted in biblical truth to equip schools and educators with the tools to eternally transform the hearts and lives of children.

Choosing the right textbooks is an important decision for your school, both financially and foundationally. Purposeful Design Publications textbooks are intentionally created with these five core values:

We believe in a strong commitment to an authentic and integrated biblical worldview.

1

We believe that textbooks must include best practices, be research based, and adhere to rigorous standards that meet or exceed national and other college-and-career-readiness standards.

2

We believe that textbooks are tools in the hands of teachers to help them achieve the desired educational outcomes.

3

We believe in providing a solid instructional foundation that incorporates additional instruction and activities for each lesson, allowing teachers easy flexibility and instructional individualization.

4

We believe in supporting educators with ongoing training to build and maintain confidence to maximize their use of PDP textbooks.
