SCHOOL Re-OPENING Social Distance system

The safest way to re-open schools effectively

Kids of all ages will understand how to use the Safety Pois system.
GREEN MEANS GO
travel along the pathway at a steady pace while keeping social distancing

YELLOW MEANS SLOW
Brief periods of slowing down or quick pauses for quick conversations

RED MEANS STOP
Coming to a full stop at a locker, office or standing in line to go to class or for a bell to ring
Social distancing inside & out

From outside of the school building to inside the hallways, classrooms & offices...we have applications for all areas and durability that lasts.
We offer a rendering service that will layout the classroom, offices and hallways effectively for re-opening.
