“For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.” Ephesians 2:10
HANDOUT 3
WHAT INTEGRATION IS NOT

- Including a Bible verse at the top or bottom of a worksheet
- Using a Bible verse for a grammar lesson
- Reading one or all of the verses on horses when teaching a unit on horses
- Using a science experiment as an analogy to the Christian life
- Praying once or several times a day in class
- Having class devotions
- Casually referring to the greatness of God in the midst of a lesson

Intentional Integration is something that is planned and that happens throughout the academic day and in all learning areas.
