# Activity Directions

**GK: Provide BLMs 16.5A–B Name a Noun.**

## Preparation:

- Obtain a **BEACH BALL**. Print **BLMs 16.5A–B Name a Noun** and cut the cards apart. (*Language and Writing*)

## Activity:

### Grammar

- Play the game Name a Noun. Have students stand in a clear space. Toss a **BEACH BALL** to a student. When the student catches the ball, read a card from **BLMs 16.5A–B Name a Noun** and have the student follow the directions or answer the question. Then, direct the student to state another student's name and toss the ball to that person. Play until everyone has had a turn catching the ball. If there are more students than cards, place used cards at the bottom of the stack to be reused.
