Purposeful Design

LANGUAGE ARTS

The UNFOLDING of Your WORDS is LIT!
For more than 30 years, Purposeful Design Publications, a division of ACSI, has provided academically rigorous textbooks that are intentionally rooted in biblical truth to equip schools and educators with the tools to eternally transform the hearts and lives of children.

Choosing the right textbooks is an important decision for your school, both financially and foundationally. Purposeful Design Publications textbooks are intentionally created with these five core values:

1. **We believe in supporting educators with ongoing training to build and maintain confidence to maximize their use of PDP textbooks.**

2. **We believe textbooks must include best practices, be research-based, and adhere to rigorous standards that meet or exceed national and other college- and career-readiness standards.**

3. **We believe that textbooks are tools in the hands of teachers to help them achieve the desired educational outcomes.**

4. **We believe in providing a solid instructional foundation that incorporates additional instruction and activities for each lesson, allowing teachers easy flexibility and instructional individualization.**

5. **We believe in a strong commitment to an authentic and integrated biblical worldview.**

**Purposeful Design Publications Textbooks are designed by educators for educators**

*Our Commitment to You...*

**EQUIPPING**

Purposeful Design Publications will equip your teachers with instructional materials and resources, which are developed BY TEACHERS FOR TEACHERS. These textbooks will make skilled educators even more effective.

**INSPIRING**

Purposeful Design Publications textbooks include both inspirational and life-application content. Since all truth is God’s truth, students and teachers will be drawn to see the Creator and His creation in every aspect of the content.

**SERVING**

Purposeful Design Publications textbooks in your school will be just the beginning of our relationship. We are committed to provide hands-on professional development training for teachers in how to make the most effective use of the textbooks. Teachers earn professional CEUs for training completion.

The eight-level Bible textbook series provides multiple opportunities for students to choose to follow Jesus and develop a personal relationship with Him. Students will learn how to apply biblical truth to their lives as they memorize Scripture and learn about Christlike character. Compatible with any translation, this series can easily tie into your chapel program and provide cross-curricular connections.

**Elementary Bible** (Early Education–Grade 6)

**Additional Series Features**

- Full-color student and teacher books with weekly review and assessment along with stand-alone lessons for Thanksgiving, Christmas, and Easter
- Embedded student pages offer easy reference points for teachers
- Online resources including blackline masters, PowerPoint presentations, chapel programs, 11-foot Bible timeline and visual aids of illustrated biblical scenes with paraphrased passages
- Digital music downloads for EE–Grade 2

**Early Education**

- Familiar Bible lessons presented from both the Old Testament and the New Testament, emphasizing God's love.
- Familiar Bible characters and events that illustrate God's gifts, such as family, leaders, helpers, His Word, His Son, and His love.
- Bible heroes with a focus on character traits.
- The life of Christ, the early Church, and missions from Paul until now.
- A study of basic doctrines of Christianity, such as the Trinity, salvation, sin nature, and eternity.

**Kindergarten**

**Grade 1**

- Familiar Bible characters and events that illustrate God's gifts, such as family, leaders, helpers, His Word, His Son, and His love.

**Grade 2**

- Bible heroes with a focus on character traits.

**Grade 3**

- The life of Christ, the early Church, and missions from Paul until now.

**Grade 4**

- A study of basic doctrines of Christianity, such as the Trinity, salvation, sin nature, and eternity.

**Grade 5**

- An Old Testament survey, presenting major Bible concepts from the Old Testament.

**Grade 6**

**Visual Aids** are included in Teacher Editions. Additional copies are available for purchase.
### High School Bible

#### Journeying with God (Old Testament Survey) (9–10)
This survey course gives students an overview of each of the books of the Old Testament. A strong emphasis in this course is helping students see the “big picture” perspective as they study how God has worked through His people to carry out His plan of salvation. It is designed to give students leadership principles to apply to their own lives. The Teacher Edition provides lesson targets, background information, instructional strategies, and assignment evaluation materials.

</table>

#### How Far Can You Go?
This study addresses the delicate topic of sin in a straightforward, yet sensitive manner, raising the bar by encouraging, equipping, and empowering young people to develop the character trait of purity. How Far Can You Go? offers biblical principles for authentic Christian living.

#### Connecting with God (New Testament Survey) (9–10)
This course gives students an overview of each book in the New Testament. It is designed to give teachers a great deal of freedom to define the approach to structuring a survey of the New Testament. At the same time, the materials included in the teacher edition will minimize the need for extensive research.

### Let God Be GOD (9–10)
This course encourages teens to wrestle with questions they frequently ask in a framework that draws the answers from Scripture. The attributes of God are organized into helpful categories: the knowledge of God, the Trinity, God’s unshared attributes, and God’s shared attributes.

<table>

#### Mastering Bible Study Skills (9–10)
Students will learn inductive Bible study methods—observation, interpretation, and application—to properly study Scripture. Teacher materials include detailed lesson plans, blackline masters, PowerPoint presentations, lecture notes, grading rubrics for projects, and answer keys for exercises and quizzes.

#### #LiveFully (11–12)
One-semester course on the integration of worldview—how faith impacts seven major areas of life and culture. Students will be challenged to live as “salt” and “light” in a complex and changing world.

<table>

#### Timeless Truth (11–12)
This apologetics course carefully walks students through the answers to important questions: What is truth? Where can truth be found? Is the Bible reliable and relevant? Timeless Truth directs students in a thoughtful study of the authenticity, reliability, and authority of the Bible.

<table>

#### Missio Dei (11–12)
Students explore and engage in God’s mission as the foundation for the story of the Bible, as the lens through which they all relate to others cross-culturally and as the driving force for living “missionally” in whatever context they find themselves.

<table>

#### Understanding the Times (11–12)
Understanding the Times is an invitation to the study of worldview. Designed as a one- or two-semester course, it is a sequential, discussion-based program that introduces compelling and helpful ways to think about and engage with the world. This is the print version of the course. **E-Book Available from Summit Ministries at [https://understandingthetimes.com/order/](https://understandingthetimes.com/order/) (use coupon code ACSI when ordering).**

Museum of the Bible has developed high school courses that use cutting-edge technology, rich content, and superb artwork and photography to bring Bible instruction to life. In four separate courses (each designed for either one or two semesters), students will explore the history, narrative, and impact of the Bible. Each course includes hundreds of interactive media elements including virtual reality, animations, 3D models, interactive maps, gamified quizzes, and more.

**Series Features**
- **Four Volumes**
  - Vol 1: Genesis – Ruth (26 chapters)
  - Vol 2: Samuel – Prophets (28 chapters)
  - Vol 3: The Gospels (26 chapters)
  - Vol 4: Acts – Book of Revelation (28 chapters)
- **Augmented Reality**
  Includes 463 interactive activities accessible through the student app
- **Teacher Edition purchase includes:**
  User Management System access to pre- and post-course assessments, slide presentations, chapter tests, and supplemental handouts.

**Student Edition** provides rich and engaging content for students to read and comprehend.

**Teacher Edition** includes activities and discussions as well as suggestions for guiding instruction. Student Edition pages are embedded in the Teacher Edition.

---

Develop Christlike character with simultaneous core-trait training through the Character Foundation K–6 series. Available in an English or Spanish print format, reinforce concepts through memory verses, specific Bible character study, practical applications, and parent connections.

**Series Features**
- Parent communicators provide ideas for reinforcing concepts and spiritual truths at home. Practical application themes are unique to each grade level.
- Memory verses help illustrate and embed concepts.
- Lower grades study a variety of Bible characters; upper grades do in-depth studies of individual Bible characters.
The NEW Language Arts series, K–Grade 2, weaves together the wonders of oral and written language with a biblical worldview. This research-based series has been developed using the guidelines of *The Fountas and Pinnell Literacy Continuum* as well as national and college-and-career-readiness standards. Integral components include systematic phonics instruction as well as spelling with vocabulary instruction. Students will be exposed to a variety of literary genres through decodable and leveled readers and will practice grammar and writing. Teachers will appreciate reader guides for the decodable and leveled readers as well as the literature guides for the suggested read-aloud story books.

### Student Edition Features
- A full-color, consumable textbook with perforated pages offering practice and application of phonics, grammar conventions, comprehension, and review
- A full-color, consumable student spelling workbook for Grades 1–2 includes spelling practice and review incorporating phonics exercises

### Teacher Edition Features
- A full-color, coil-bound resource with solid, foundational instruction along with ideas for literacy centers and other activities accommodating multiple learning styles and providing differentiated instruction with integrated biblical worldview
- Shows student pages with answers for easy referencing
- Contains daily objectives and instruction for phonics, spelling (Grades 1–2), grammar, writing, reading skills, comprehension, vocabulary, and literature
- Online materials including reader guides, reader strategies, diagnostic tests, assessments, digital masters, and blackline masters
- Online materials including reader guides, reader strategies, diagnostic tests, assessments, digital masters, and blackline masters

The Language Arts Kit is sold separately and provides great kinesthetic learning opportunities through the use of items such as alpha cards, alpha tiles, multi-purpose placemats, blends center, and more.

### Readers
- Carefully authored reading materials based on research by *The Fountas and Pinnell Literacy Continuum* as well as other well-known literacy and vocabulary development research
- Phonics-based, colorfully illustrated decodable and leveled readers accompanied by reader strategies and guides that provide a solid foundation for literacy while instilling an enjoyment of reading a variety of topics and genres including informational text
  - Kindergarten: 15 foldable blackline master decodable readers
  - Kindergarten: 6 decodable readers (64 pages each), each containing multiple stories
  - First Grade: 6 decodable readers (144 pages each) and 6 leveled readers (160 page each), each containing multiple stories
  - Second Grade: 12 leveled readers (160 pages each), each containing multiple stories
  - Essential part of the overall program creating shared reading experiences; sold separately

### Grade 1
- Guided and independent phonics practice, high-frequency word work, independent grammar practice, integrated reading, and listening comprehension sections

### Grade 2
- Guided and independent phonics practice; high-frequency word work; independent grammar practice; frequent reading and listening comprehension sections, including fiction and nonfiction texts

### Language Arts Kit
The Language Arts Kit (Grades K-2) is also available as an e-book option with additional materials and resources.
The inquiry-based science series provides a hands-on approach to science education that develops critical thinking skills. Students will learn the processes and language of science integrated with a biblical worldview. NSES and NGSS educational standards aligned with and stated in each lesson of the 3rd edition.

Student Edition Features
- For Levels 1-3: consumable, full-color student books with a take-home booklet for each chapter
- For Levels 4-6: full-color student hardcover textbook and softcover Science Notebook for hands-on application practice and review

Teacher Edition Features
- Embedded student book pages for easy cross-referencing
- Cross-curricular connections
- Online resources including blackline masters, digital displays, and computer presentations
- Science Equipment Kit (sold separately)

Grade 1 3rd Edition
- Explore God’s world of mammals, fish, birds, and insects; discover movement, machines, matter, and space. Study healthy living and learn about the heart, lungs, stomach, muscle, teeth, and bones.
- 20111 Student Edition $23.99
- 20112 Teacher Edition $93.99

Grade 2 2nd Edition
- Study God’s world of plants, vertebrates, invertebrates, and habitats; discover energy, heat and light, weather, and the ocean. Study the human body through sound, sight, touch, taste, and smell.
- 20211 Student Edition $23.99
- 20212 Teacher Edition $93.99

Grade 3 2nd Edition
- Discover God’s world of ecosystems and the life of plants. Explore matter, motion and force, electricity, magnets, earth’s surface, and the solar system. Study the musculoskeletal and nervous systems, as well as healthy habits of diet, sleep, and exercise.
- 20311 Student Edition $23.99
- 20312 Teacher Edition $93.99

Grade 4 2nd Edition
- Investigate the design, order, diversity, and system of life; explore energy, heat, light, sound, motion, force, and matter. Discover the lithosphere, hydrosphere, atmosphere, and universe. Learn about the systems of the human body.
- 20411 Student Edition $34.49
- 20412 Teacher Edition $93.99

Grade 5 2nd Edition
- Explore natural cycles, life cycles, cells, and ecological succession; measure and study matter and force; study electricity and magnets; investigate earth’s processes, natural resources, weather, and climate; explore the sun, earth, and moon; study healthy habits, disease, and human immune system.
- 20511 Student Edition $34.49
- 20512 Teacher Edition $93.99

Grade 6 2nd Edition
- Explore classifications, cell processes, heredity and genetics, the Periodic Table of Elements, states of matter, ocean movement, rocks and the geologic layer, and astronomy. Study the interactions of systems in the human body, body stewardship, and an optional chapter on the reproductive system (Teacher Edition only).
- 20611 Student Edition $34.49
- 20612 Teacher Edition $93.99

Science Equipment Kit
- 7519 Science Equipment Kit $999.99
Science (Grades 6–9)

Life, Earth & Space, and Physical Science

Spark the wonder of science into students’ hearts with these subject-specific courses designed for Grades 6–9. Hands-on scientific inquiry and investigation will foster critical-thinking skills and enhance a biblical worldview of God’s creation.

Student Edition Features

- Full-color hardcover textbook with consumable lab manual (sold separately)

Teacher Edition Features

- Available as a coil-bound book or e-book, teachers will value the organized content loaded with activities, tips, and a list of needed equipment for each lesson
- Student pages are embedded for easy reference
- Blackline and other digital teacher resources are available online
- Lab manual, worksheet, and test answer keys provided

Total Health (Middle School and High School)

Supplement your science learning with a one-semester course that biblically and scientifically addresses physical, mental, social, and spiritual health.

Discovery Streaming

Discovery Education Streaming is a powerful and inclusive multimedia resource. Designed and driven by state standards, Discovery Education Streaming uses engaging multimedia resources to add power to lessons while supporting rigorous curriculum requirements. Through the ACSI partnership, you will receive a discount on this fantastic service giving you access to thousands of multi-media files to enhance your classroom instruction.

For additional Information go to purposefuldesign.com and click on “Discovery Education” at the bottom of the page.

$9.65 per Student, not to exceed the maximum
$905.00 Minimum (98 or fewer students)
$2,520.00 Maximum (Over 257 students)
Mathematics (Kindergarten–Grade 8)

Build a strong foundation with the Purposeful Design Mathematics series. Students will grow in confidence as they master problem-solving skills and real-life application through manipulative use and modeling. Project-based learning provides STEM and biblical worldview connections throughout.

Student Edition Features
- Project-based learning activities that provide STEM and biblical worldview connections.

Teacher Edition Features
- Formative and summative assessments with answer keys for all levels.
- Online resources including blackline masters, pretests, tests with answer keys, and practice, review, and enrichment activities.

Math Manipulatives Kit (revised)
$769.99

For a complete kit list, visit purposefuldesign.com

Kindergarten 2nd Edition
Classifying and sorting; counting, ordering, and comparing numbers; discovering addition and subtraction; counting money; telling analog and digital time to 30 minutes; identifying solids, shapes, and equal parts; measurement in length, height, width, and temperature.

Grade 1 2nd Edition
Addition and subtraction fact families to 15; adding and subtracting three-digit numbers and money; time to the quarter hour; shapes and rotations; place value, fractions to 1/4; graphs and maps; measurement in customary and metric; problem solving.

Grade 2 2nd Edition
Patterns and place value; addition and subtraction; geometry and measurement; place value to thousands; multiplication and division; time and money; 2-digit addition/ subtraction; addition and subtraction with regrouping; larger numbers; fractions and measurement.

Grade 3 2nd Edition
Place value; addition, subtraction, multiplication, and division facts and problems; geometry; measurement; fractions; decimals; time and money; equations.

Grade 4 2nd Edition
Place value; addition, subtraction, geometry; multiplication and division facts and problems; multi-digit multiplication and division; fractions; decimals; measurement; temperature; time.

Grade 5 2nd Edition
Place value; addition, subtraction, multiplication, and division of whole numbers, decimals, and fractions; exponents; geometric properties; customary and metric; measurement; ratio, proportion, and percent; area, perimeter, and volume; statistics; graphing; probability; rational numbers.

Grade 6 2nd Edition
Addition, subtraction, multiplication and division of whole numbers, decimals, fractions and integers; inverse operations; exponents and square roots; geometric properties; ratio, proportion, and percent; area, perimeter, and volume; probability; application of statistics; graphing.

Intermediate A (Grade 7)
Place value, square roots, and exponents; fractions and decimals; expressions and equations; integers; equations and inequalities; plane and solid geometry; coordinate systems; ratio, proportion, and percent; customary and metric; measurement; rational numbers; probability. Available in e-book format only. *

Intermediate B (Grade 8)
Algebra: expressions and equations; integers; coordinate system; properties of exponents and negative exponents; statistics; rational numbers; equations and inequalities; linear equations; measurement in geometry and geometric relationships; polynomials; probability; ratio, proportion, and percent. Available in e-book format only. **

*E-book format includes online resources: blackline masters and transparencies.

For more information or to order, visit purposefuldesign.com or call 1-800-367-0798.

2021 Resource Catalog 2021 Resource Catalog
Passport to Adventure (English as a Foreign Language)

Introduce the English language to non-English speaking students with the engaging 8-level textbook series, Passport to Adventure. Developed by experts in language acquisition, worldview formation, and TESOL, students with no English experience can begin to explore the world beyond their classroom utilizing creative multimodal instructional activities including songs, chants, audio prompts, and more. This series is available in print only.

Series Features
- Full-color student and teacher books
- TESOL-standards based lessons
- Multimodal instructional activities at all levels, including singing, speaking, listening, stories, and writing
- English language vocabulary relevant for subject-area instruction in social studies, math, science, and literature

Student Edition Features
- Colorful and engaging photographs and illustrations depicting children and adults from different countries
- Stories taught through mini-books

Teacher Edition Features
Passport to Adventure incorporates proven tools needed to offer excellent instruction
- Integrates character education and English language goals based on TESOL standards
- Focuses on relevant English vocabulary for content area instruction in social studies, science, math, and literature
- Additional online resources

Wonder A (Ages 3–4)
- Unit themes include Introduction to School, People, Everyday Activities, and Animals.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Wonder B (Ages 4–5)
- Unit themes include Introduction to School, People, Everyday Activities, and Animals.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Imagine (Ages 5–6)
- Unit themes include Patterns, Nature, Community, and Myself.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Discover A (Ages 6–7)
- Unit themes include Patterns, Nature, Community, and Myself.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Discover B (Ages 7–8)
- Unit themes include Patterns, Nature, Community, and Myself.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Explore A (Ages 8–9)
- Unit themes include At School and Play, Inside My House, Around the Town, Under My Feet, and Beside the River.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Explore B (Ages 9–10)
- Unit themes include Discovering through Smell, Taste, Sight, Hearing, and Touch.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Explore C (Ages 10–11)
- Unit themes include Around the World, Across the Desert, Over the Mountains, Under the Sea, and Out in Space.
- Prices:
  - Student Edition: $16.55
  - Teacher Edition: $60.00

Spelling Plus (Grades 1–6)
Integrate Spelling Plus with any language arts series to provide six levels of 36 week-long lessons with in-depth and research-based phonetic instruction. Students will learn strong decoding and encoding skills while building confidence with high-frequency, pattern, and challenge word lists. Teachers will enjoy the ease and flexibility of use along with biblical integration.

Student Edition Features

Spelling Plus (Grades 1–6)
The Mosdos Press Literature series provides a strong cross-section of various literature genres, both classic and contemporary. Available only in print, this series teaches writing, vocabulary, and language arts featuring original artwork and graphics along with an index of authors and titles, and a glossary of literary terms and author biographies. The student workbook also includes original prose with comprehensive questions to prepare students for standardized testing.

**Student Edition**
Each student edition includes original artwork and graphics, a cross-selection of various genres of literature, an index of authors and titles, glossaries of vocabulary and literary terms, and author biographies. The workbooks also include original prose with comprehensive questions designed to prepare students for standardized tests.

**Teacher Edition**
Designed to help educators excel in the teaching of language arts—including literature, writing, and vocabulary. The teacher edition includes:
- Handbooks of grammar and writing skills
- Standardized proficiency examinations
- Check quizzes
- Glossary
- Literary critiques
- Vocabulary and writing/journal workshops
- Teacher notes

The high school TextWord Press literature series, Implications of Literature, creates strong comprehension, writing, and communication skills through the study of different classic and contemporary literature genres. Students will appreciate the innovative instructional features such as literary critiques, various workshops for journaling, writing, grammar or vocabulary and more. Teachers will value the assessment features including check quizzes and standardized proficiency examinations.

**Student Edition**
Students will discover an exciting grouping of short stories, novellas, dramas, novels, and noteworthy nonfiction. Check quizzes, textual sidebars, literary critiques, writing workshops, journal workshops, handbooks of writing skills, grammar, and vocabulary workshops are just a few of the innovative instructional features.

**Teacher Edition**
Designed to help educators excel in the teaching of language arts—including literature, writing, and vocabulary. The teacher edition includes:
- Handbooks of grammar and writing skills
- Standardized proficiency examinations
- Check quizzes
- Glossary
- Literary critiques
- Vocabulary and writing/journal workshops
- Teacher notes

Order Purposeful Design Textbooks online at purposefuldesign.com or contact your educational resource consultant for assistance.

Purchase of an e-book: Most textbook series are available in both print and e-book format (as noted in the catalog). An e-book purchase is a limited subscription to the content, meaning you will have access for a defined period, usually one full year from activation of the subscription code. For additional information about e-book purchasing, go to purposefuldesign.com and click on “Textbook Support.”

Return Policy and Additional Ordering Information

Sometimes shipments don’t work out. We understand. Please follow these simple directions to begin a return:

1. Contact our team at 1-800-367-0798 or careteam@acsi.org to receive a shipping label, return form, and return merchandise authorization number (RMA#).
2. Please complete the return form and email it to careteam@acsi.org. Upon approval of your return, include the return form in your shipment.
3. Pack the materials tightly in a sturdy box, filling any extra space with packing material or clean crumpled paper. Please ship through UPS using the pre-paid UPS return label ACSI emails you. Take your package to your local UPS Store or Staples. If you request a special pickup, that charge will be your responsibility.

• No credit will be issued for opened CDs or DVDs, testing materials, or used items.
• ACSI/Purposeful Design Publications is not liable for damaged returns. Therefore, please package your shipment with care as no credit will be given for books with damage like scuffs, bent corners, or marked/stamped/stickered from use.
• Account credit will be applied on items returned.
• If this shipment is not a preview order returned within 60 days, there is a 20% restocking fee if we pay shipping; 15% if you pay for shipping.
Draw your students into the awe and amazement of creation through God’s eyes with the newly revised first-grade science textbook from Purposeful Design Publications.
